

How to find The LookOut, Hyde Park

From Marble Arch - walk towards The Reformers Tree memorial (a mosaic, not a real tree). In front of you there is a small, dark brown wooden building with a turret on the top, this is the entrance to the The LookOut.

From Hyde Park corner - make your way to the Serpentine road and head west. At the Serpentine Bar & Kitchen take a right towards the public toilets in the middle of the Park. The LookOut is on the left of the toilets. The entrance is on the north side so simply follow the boundary around until you come to the gatehouse, a small dark brown wooden building.

We encourage visitors to use public transport if they can.

Please allow at least 15 minutes to walk from the edge of the Park to The LookOut.
